COFFEE & SIDE TABLE

COLLECTION

2026

The advertisement features a modern interior scene with a green wall, a dark shelf with decorative items, and a large potted plant. In the foreground, four tables are arranged on a circular woven rug: a black conical table, a black table with a white top, a white conical table, and a black table with a white top. A glowing lantern is visible on the right side of the rug. The year '2026' is printed in the bottom right corner.

ORBIT

LIGHTNESS, SHAPED WITH WARMTH

ORBIT

A sculptural side table with a warm natural-oak base.

A softly contoured silhouette pairs a glossy white top with a tapered natural-oak base. Compact and refined, Orbit brings a light Scandinavian character to lounges, reception spaces and relaxed meeting settings.
