REFINED SPECIFICATIONS

HEADREST

A refined, upholstered headrest sculpted to support the natural posture of the neck and shoulders.

SCULPTED BACKREST

Gracefully contoured to mirror the spine's natural curvature, the backrest delivers seamless lumbar support while promoting an upright yet relaxed seating posture

SYNCHRONIZED RECLINE WITH MULTI-POSITION LOCK

A precision-engineered synchronized reclining system with multiple locking positions, allowing effortless transition between focused work and relaxed repose. Smooth, controlled movement ensures stability, comfort, and uninterrupted productivity.

TAILORED UPHOLSTERY FINISH

Wrapped in premium upholstery with meticulous tailoring, delivering a soft, supportive feel and refined visual texture. Crafted to retain its form and elegance over time, reflecting enduring quality and craftsmanship.

EXECUTIVE SEAT CUSHION

Generously proportioned and luxuriously cushioned to provide superior pressure distribution. The seat offers lasting comfort while maintaining a composed, executive presence.

ARCHITECTURAL ARMRESTS

Fixed armrests defined by clean geometric lines and polished detailing. Designed to provide stable support while reinforcing a contemporary, architectural aesthetic.

FIVE-STAR BASE

A precision-crafted five-star base designed for visual balance and structural integrity. Equipped with smooth-glide castors for effortless 360° movement across refined office environments.
