

SOLACE

Soft geometry. Quiet confidence.

CURVED SOFA / LOUNGE CHAIR / BEAR OTTOMAN

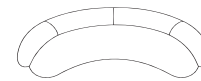

SOLACE CURVED SOFA
The visual anchor of the collection.

A softer way to shape space.

SOLACE COLLECTION

Designed with soft, organic curves and inviting upholstery, Solace brings comfort and character to lounges, hospitality settings and family-friendly interiors. Its sculptural silhouette creates a welcoming atmosphere without overwhelming the space.

Lounge Waiting Area

A comfortable waiting and social area

Hotel, Restaurant & Public Lounges

Waiting area for corporate office, hotel lobby or schools

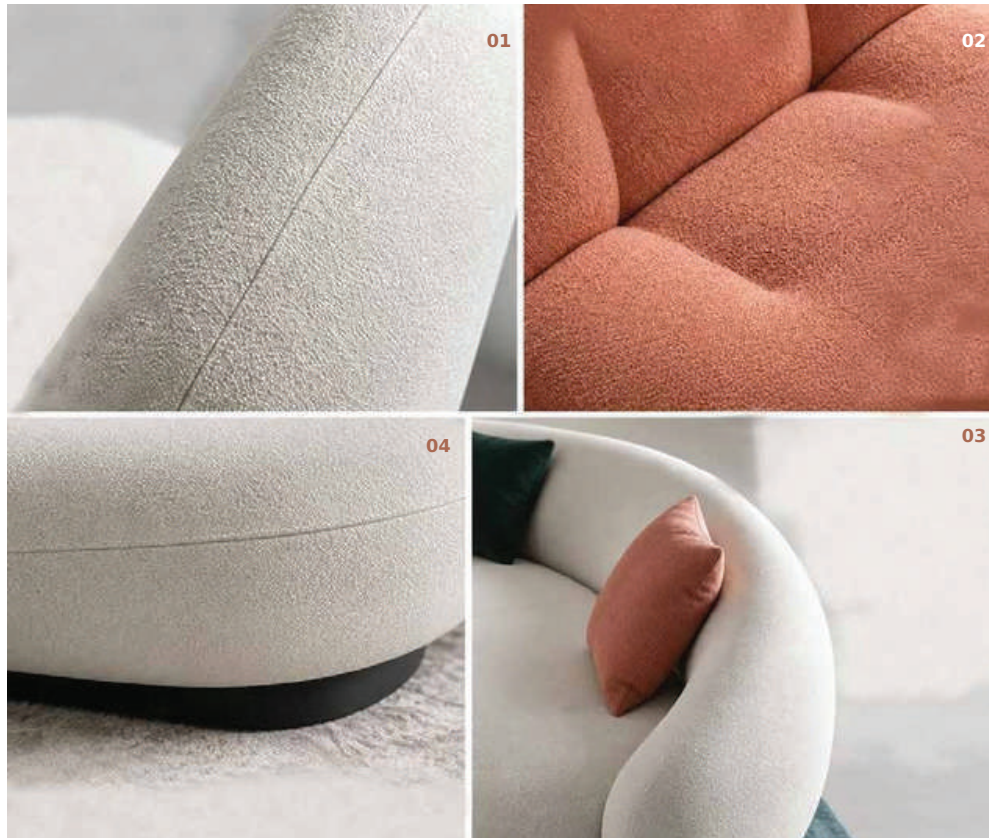

Learning & Activity Spaces

Collaborative learning, group discussions and creative activities

A collection designed to feel considered, calm and naturally inviting.

DETAILS OF COMFORT

Made to be seen.
Designed to be lived in.

01 Premium Textured Fabric
A refined tactile surface that adds warmth and visual depth.

02 Plush Cushioning
Generous cushioning provides soft, supportive comfort.

03 Elegant Curved Form
Flowing contours create an inviting contemporary silhouette.

04 Solid Base
A stable low-profile base gives a clean, grounded finish.

SOLACE CURVED SOFA

Solid wood frame · High-density foam · Fabric upholstery · Black PU base

SOLACE LOUNGE CHAIR

Metal inner frame · Moulded foam · Fabric upholstery · Black powder-coated base

Designed to soften the space

Organic forms, generous comfort and a
measured touch of playfulness

SOLACE LOUNGE CHAIRS

Soft, sculptural curves that complements.

BEAR SCULPTURAL OTTOMAN

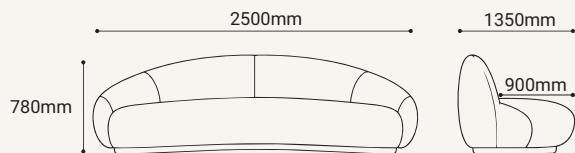

A quiet companion, never the main story.
