# executive

The executive manager desk provides an expansive work surface, accommodating the varied needs of today's executives, whether for meetings, focused tasks, or collaborative projects.

Built with precision and attention to detail, Sovica exemplifies exceptional craftsmanship, ensuring a long-lasting investment for the discerning executive.

Elevate your executive experience with the Sovica Executive Manager Desk, where distinctive features and thoughtful design converge to meet the demands of the contemporary business leader.

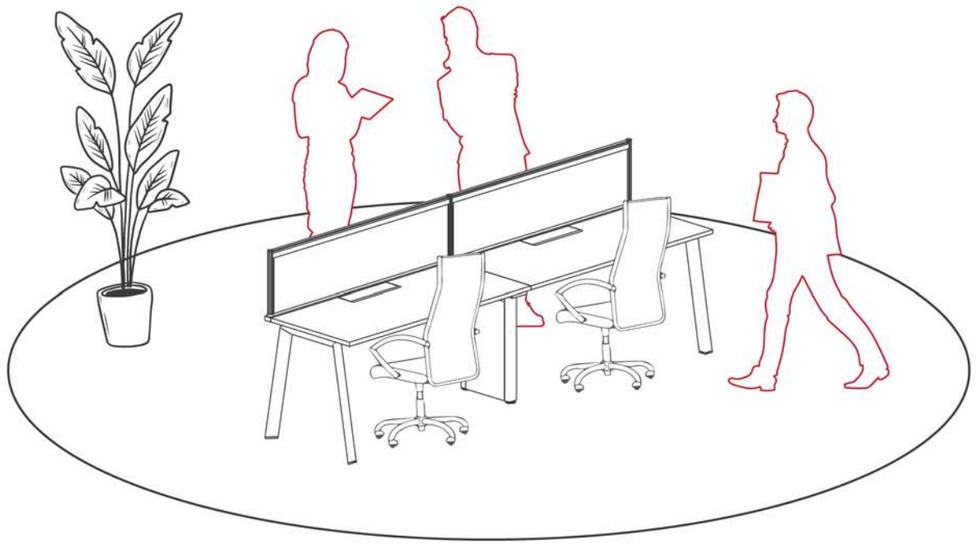
The **Executive Desk SOVICA-A series** design combines extremely clean cut silhouettes and is available in L-shape desk where the side return is an integrated unit. The side return is a flawless platform  organizing cable management and storage units that is designed to contrast aesthetic alternative.

An **executive desk concept** with symmetrical curve legs, in black finish, with the possibility of combining a return unit with a pedestal.

The **Executive Desk SOVICA-N series** features high-quality design and reduction down to the essentials. A furniture set that takes a back seat and allows the materials, colors and surfaces to take center stage.

**Executive Desk SOVICA-O series** is an executive desk concept with loop legs, in black finish, with the possibility of combining a return unit with a pedestal.

In terms of built, the **SOVICA-O series** is made with perfect edge technology which makes the desk look gorgeous while also being very sturdy.



# workstations

Sovica represent aesthetic line of modern workspace. The smooth transition from unique beam framework blend together with vivid support of the leg. Producing clear image in mind, Sovica colours create office connectivitiy with the append of storage and privacy screen. The symmetrical leg design and dynamic line creating space perspective in working environment.

Enhance your workspace with the Sovica Office Desk Desking/Workstation series, where style seamlessly merges with productivity. Meticulously crafted for optimal functionality and aesthetic allure, these desks offer a range of sizes to complement your workspace.

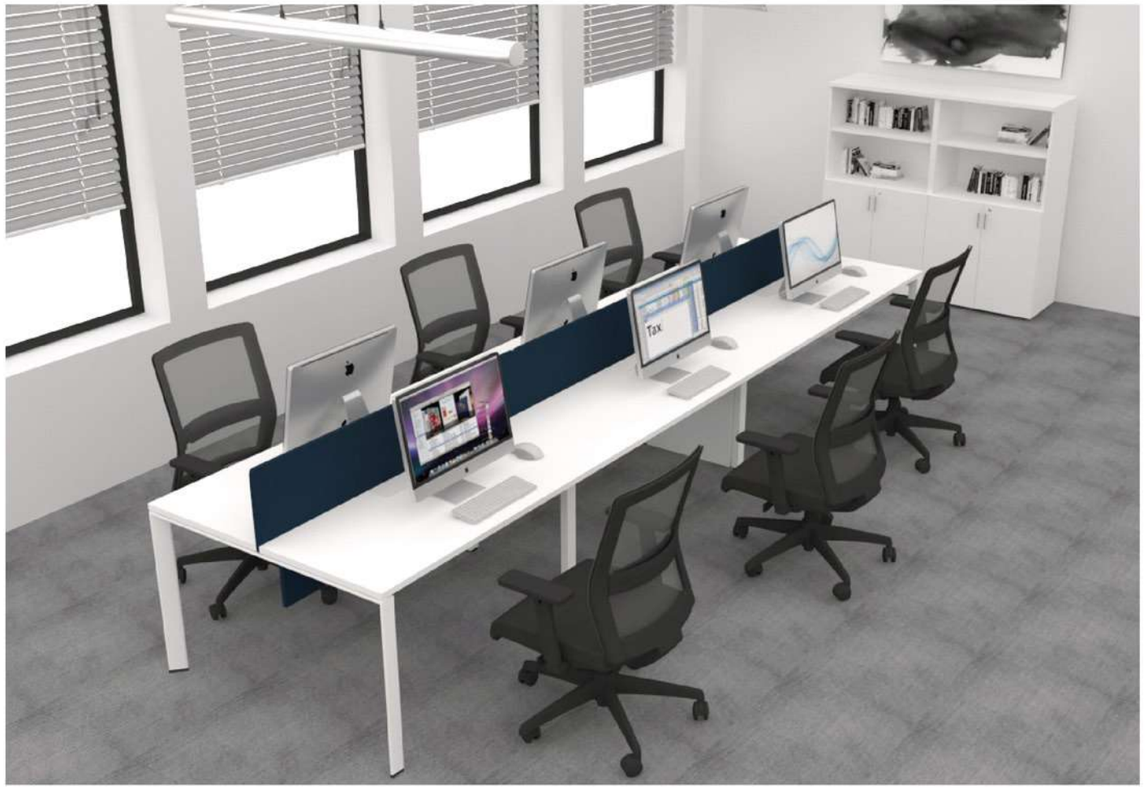
Revel in the flexibility afforded by three distinct table legs – opt for Sovica A leg for a sleek and modern touch, Sovica O leg for a hint of elegance, or Sovica N leg for a contemporary and versatile design. Craft a workspace that mirrors your professional style, elevating both aesthetics and efficiency.

**SOVICA-A Workstation** represent aesthetic line of modern workspace. The smooth transition from unique beam framework blends together with vivid support of the leg.

The **SOVICA-A Desking** caters to contemporary and diverse work requirements, accommodating individual tasks demanding focus as well as collaborative activities within group settings.

**SOVICA-N Desking**

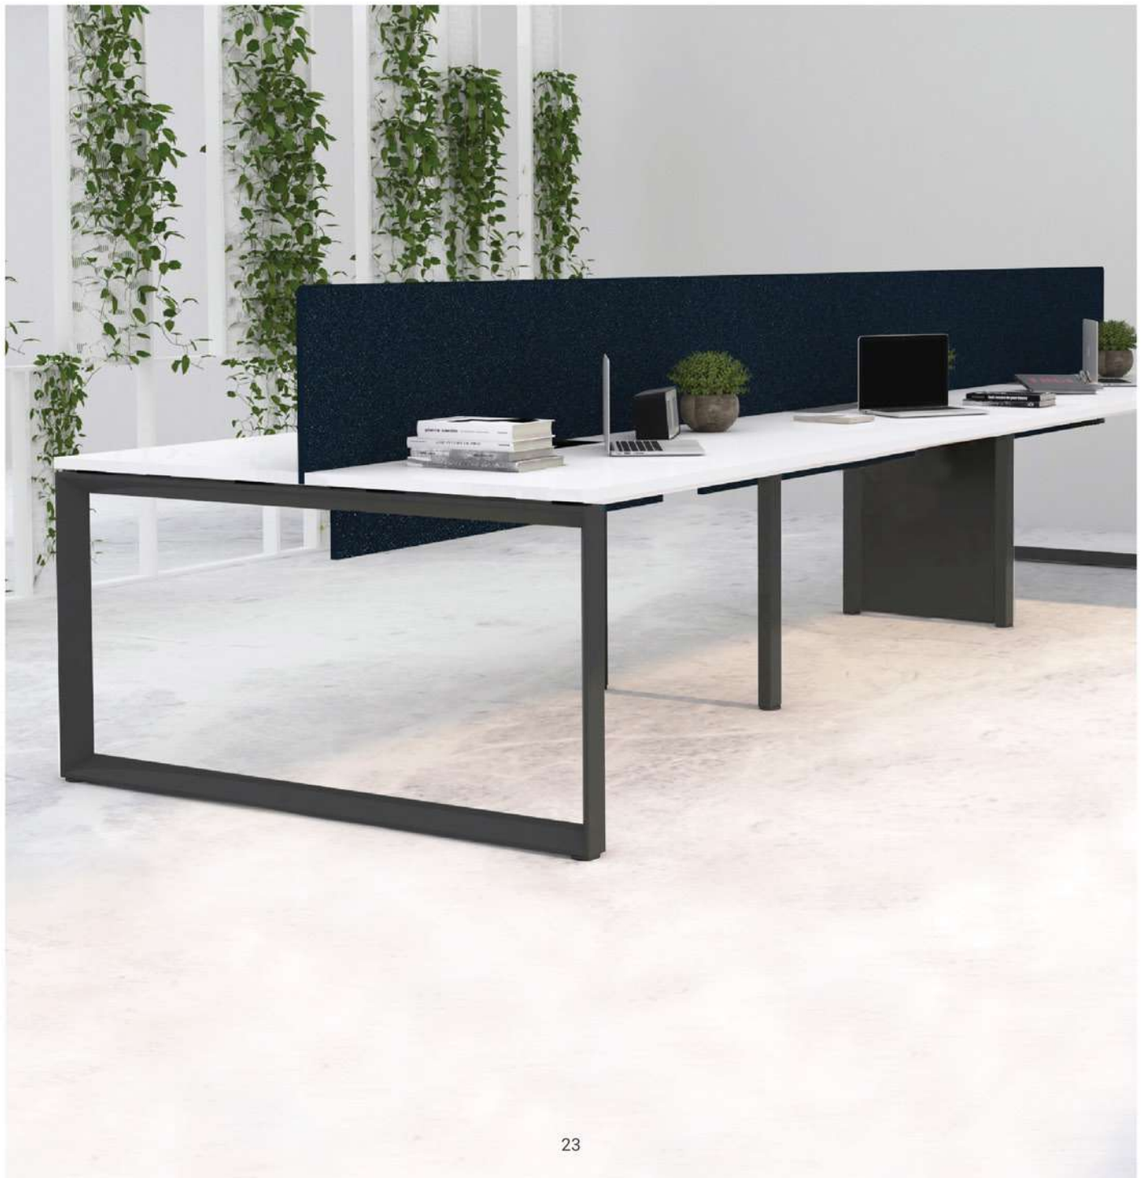
Whether you're engaged in solo tasks requiring concentration or collaborative endeavors, the **SOVICA-N Workstation** provides a perfect balance of style and functionality.

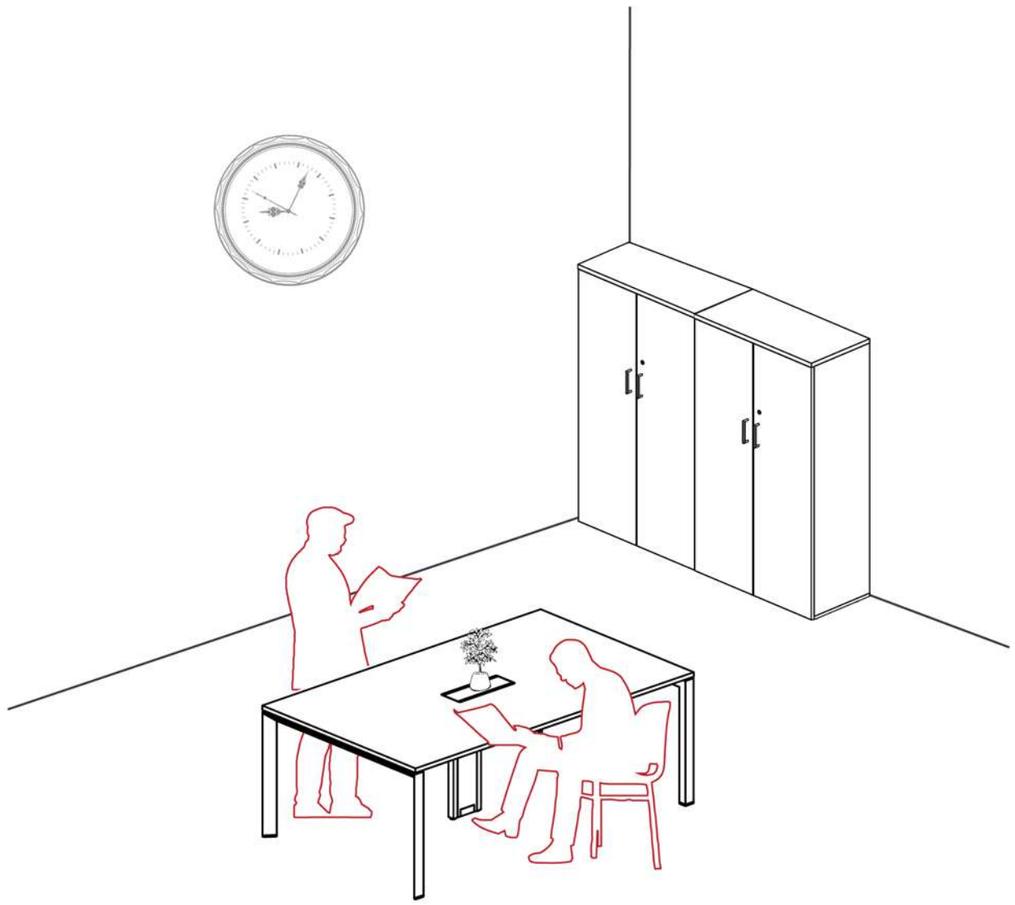


**SOVICA-N Desking**

Revolutionize your workspace with the **SOVICA-O workstations**, ingeniously integrating wire cable management and individual screen panels into their design, blending aesthetics and practicality for an exceptionally motivating work environment.

Whether you're focusing on individual tasks that demand precision or engaging in collaborative efforts, the **Sovica O desk** offers a harmonious blend of style and functionality.





# meeting

Make a statement in your meeting room with the Sovica Office Desk Meeting Table series. Crafted for collaborative discussions and creative sessions, these tables combine sophistication with practicality.

Select the ideal size and shape for your meeting space, and customize the table legs with Sovica A leg for a professional edge, or Sovica N leg for a modern twist. Foster teamwork and innovation in a meeting room that reflects your commitment to excellence.

Round Edge Table Top With

# A Leg
