

# VELOCITY

Executive Chair

**Not Limited by Configuration.  
Unlimited Comfort.**

The Velocity chair is designed for those who move fast and think ahead. Its breathable mesh backrest delivers lasting comfort, contouring to your posture while promoting airflow throughout the day.

With a separated tilting mechanism, the chair supports dynamic movement and adapts seamlessly to your sitting style. The ergonomic seat is shaped for a natural fit—providing comfort without pressure on the legs, even during long hours.

Velocity isn't just a chair—it's freedom of motion, comfort in every position, and performance without limits.
