

VITARIS

Executive Chair

Evolve Your Office: Experience Premium Executive Seating

Step into a realm of sophistication with the Vitaris collection of office chairs. Ensuring maximum comfort during long work hours. Whether you prefer a medium back for shoulder-level support or a high back for full back support, the Vitaris series offers a range of options tailored to your needs.

Crafted with precision and attention to detail, the Vitaris chairs feature sleek aluminum base and a rotary point synchronized mechanism with multi-locking capabilities, allowing for seamless adjustment and personalized comfort. The dark grey color palette exudes an air of stability and refinement, making these chairs the perfect choice for any professional workspace, the Vitaris collection embodies the intersection of comfort and sophistication in every design.

SYNTHETIC LEATHER : DESIGN FLEXIBILITY

The smooth, tailored look of the leather allows for clean, sharp lines and distinctive stitching details, as is evident in the precise seams on the chairs. It offers a luxurious, supple feel that conforms to the body over time, providing a customized and comfortable seating experience.

PREMIUM executive chair known for its comfort and sophisticated, modern design that provide ergonomic support (especially back and lumbar support) and a professional, presidential look for long working hours.

FEATURES

BODY FRAME & STRUCTURE

Designed with well-padded seat and backrest for comfort. Offering good upper back and neck support.

EXCEPTIONAL DETAILS : ELABORATE STITCHING

The unparalleled comfort meets meticulous craftsmanship. Explore our office chairs designed for superior support and style. Fire-retardant high-density polyurethane foam offers lasting comfort during extended use.

NYLON CASTORS

60mm nylon dual-wheel castors provide smooth gliding while reducing floor scratches.

BASE & MECHANISM

4 & 5 Star Base
4-level position locking mechanism for customized seating adjustment

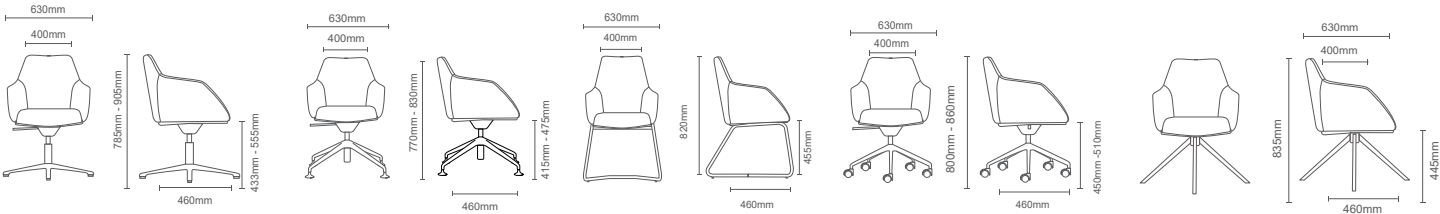

4 Pronged Base
Pronged base in either die-cast aluminium or nylon finish

4 Blades Steel Base
Solid steel base with memory self-return mechanism

Cross Sled Design Base
A sled base with a matte black finish is designed for stability, which is achieved through its continuous runners on the ground.

Excellent Mechanism
Durable and tough build ensure years of comfort and reliable use.
